

ALL-STAR GAME

Grids Bolstered By All-Americans

Seven bonafide high school All-Americans dot the rosters of the Los Angeles and Catholic Schools all-stars which clash Thursday evening, July 11, in the Second Annual Big Brothers Football Game at the Los Angeles Memorial Coliseum.

Led by All-America center Eric Patton of Mater Dei (Santa Ana) and quarterback Brad Wekall of Servite (Anaheim) the Catholic team has four A-A luminaries.

The parochial lineup also includes Wekall's favorite pass receiver, end Blaise Evers of Servite, and tackle

Tom Narey of St. Paul (Santa Fe Springs).

Patton, twice All-CIF Southern Section first team choice and regarded by many college coaches as the finest high school lineman in the state, was named to the Scholastic Coach All-America squad while Wekall, Evers, and Narey received honorable mention.

Tim Foli of Notre Dame (Sherman Oaks), who had been scheduled to play quarterback, signed a pro baseball contract with the New York Mets, Thursday, June 27, 1968, for a reported \$75,000. Foli was a Catholic All-American first team selection last season. He was touted almost as good football prospect as he is a baseball shortstop.

The L.A. City's All-America honorable mention recipients are fullback Mike Vickers of San Fernando, flanker - halfback Ron Carver of Carson (Torrance) and defensive end Bruce Davis of Westchester.

Carver was All-City twice switching from end to halfback in his senior year. Vickers has been lauded for both his fullback play and his prowess as a defensive line backer. Significantly, both played major roles in their team winning city championships — Carson in 1966, San Fernando in 1967.

The game pits the 60 best football stars who graduated this June in a traditional East-West rivalry. Sponsors are the West Torrance Lions Club, and proceeds will go to the Lions Eyesight program.

Tickets are priced at \$3.00 for adults and \$1.50 for students.

SOUTH BAY
CITIZEN OF
THE MONTH

Bridging the gap between life and death... between East and West is a "way of life" for men like Dr. Richard C. Reznick.

"We were just doing what had to be done," says this young Hermosa Beach medical doctor and resident of Harbor General Hospital in Torrance. But his record far overshadows his modesty. From January to March of this year his home was a province hospital in Rach Gia in the Viet Nam delta — a volunteer without pay. Mending broken bodies and salving shattered spirits under the close and heavy fire of the Viet Cong was his job. During this time he performed over 130 surgical procedures. He, and other members of his medical team, handled more than 400 Vietnamese civilian, military and enemy casualties during the heaviest two weeks of the Tet Offensive.
